Details

Crafting the home of your dreams on land you own is easy with Coventry Homes' Build on Your Lot program.

With more than 30 years of experience and a 98 percent customer recommendation rate, Coventry Homes is dedicated to creating exceptional customer experiences and high-quality homes that will last for generations to come.

Start with a free site evaluation to assess such things as site cost, possible location adjustments, building elevation, water and electricity service, wells and septic systems before you build. Then browse our extensive library of award-winning designs blending current Eco Smart components with distinctive luxuries, extraordinary style and solid construction. There are hundreds of plans to choose from, and each one can be customized to meet your needs.

During the construction phase, your home will be inspected every step of the way by qualified professionals to ensure your home is built to the highest standards.

No matter your needs or your budget, we can help you build your dream home in the DFW-area. Schedule your homesite evaluation today!
