When you select Coventry Homes to build your Houston-area home, you've chosen more than an industry leader with 30-plus years of experience and a 98 percent customer recommendation rate. You've chosen a partner, one that is dedicated to building your dream home, your way, on your location.

Coventry Homes offers one-stop shopping and trained professionals to homebuyers choosing to construct their own home on a piece of property they own. From site selection to move-in, Coventry's team of experts will guide you through every step of the custom home building process. If you're considering a property purchase for your future home, our team can provide a free site evaluation to help determine any costs associated with building on that particular property, even in urban areas such as Bellaire, Meyerland, Memorial, Spring Branch and inside the Loop.

Coventry Homes' library of eco-friendly, award-winning floor plans — plus a team of in-house architects ready to make custom changes to meet your needs — means that the design of your home is limited only by your imagination, budget, and deed restrictions (if applicable).

Learn more about Coventry Homes' full range of Build On Your Lot services by scheduling a homesite evaluation today. We are ready to partner with you to bring your new home to life.
